WWW [Bold Profile](#)

My name is Muhammed. I am a 3rd-year Computer Engineering student at the Faculty of Technology at Marmara University. I am interested in fintech, software, and entrepreneurship. I have been developing my skills through various projects and practical experiences:

- Algorithm design: Improved with the C language.
- Object-oriented programming (OOP): Practiced using Java and Python.
- Database management: Gained experience with SQL.
- Computer fundamentals: Learned through Assembly language.
- API development: Gained skills by creating APIs in C#.
- Mobile application interface design: Enhanced using Figma.
- Financial literacy: Acquired through the Finansgenç program.
